

Ramsey Strategic Enterprises LLC

CAPABILITY STATEMENT

michaelramseyinvesting@gmail.com

ramseyenterprise.net

Ramsey Strategic Enterprises LLC, led by President Michael Ramsey, is a nationally recognized government contractor serving clients in all 50 states. We deliver dependable, high-quality services and products tailored to the specific needs of local, state, and federal government agencies. Our commitment to excellence, compliance, and efficiency sets us apart as a trusted partner in government contracting.

CORE CAPABILITIES

01

- **HVAC Services**
 - Installation, maintenance, and repair of heating, ventilation, and air conditioning systems to ensure optimal facility performance and compliance with government energy standards.
- **Janitorial & Cleaning Services**
 - Comprehensive custodial services for government buildings, including routine cleaning, deep sanitization, and eco-friendly solutions.
- **Medical Carrier & Logistics**
 - Timely and secure transportation of medical supplies, pharmaceuticals, and sensitive healthcare materials.
- **Hotel Booking & Hospitality Services**
 - Government-compliant lodging solutions for traveling personnel, conferences, and event accommodations.
- **Ice Cream & CUD Distribution**
 - Bulk and specialty distribution services for consumables, including frozen desserts and CUD products.
- **Wholesale Supply**
 - Delivery of a wide range of products, including PPE, office supplies, equipment, and facility-related goods for government operations.
- **IT & Computer Services**
 - Provision of secure, scalable, and customized IT solutions, including software development, systems integration, cybersecurity, and technical support to meet government operational and compliance needs.
